

# AWMI Portland Chapter 30th Annual Auction "Wild Wild West"

**Royal Oaks Country Club in Vancouver, WA  
Thursday, October 20, 2022**

The Association of Women in the Metal Industries was founded in 1981 by a group of professional women working in the metal industries. AWMI is a 501c(6) tax-exempt, non-profit business league chartered under the state of Virginia. There are 19 chapters established to date internationally. Each chapter is self-supportive.

Every year the Portland Chapter holds a fundraising event to help cover the costs of the scholarship program, speaker fees and general operating expenses. This year we will be hosting our 30<sup>th</sup> Annual Auction, with both a silent and live auction. We will be at the Royal Oaks Country Club in Vancouver, WA on Thursday, October 20, 2022! We ask companies in our business community to help support our organization with a donation either to be auctioned or given as a door prize. All donating companies will be recognized in the auction program book and in the winter edition of our newsletter.

AWMI is an organization open to both women and men. The four cornerstones of AWMI is to grow, mentor, educate, and provide networking opportunities to its members through seminars, plant tours, networking and other career development meetings. There are 1268 individual members, 65 corporate members and 785 corporate individuals in the United States and Canada. Our members are employed by mills, service centers, trading companies, manufacturers, fabricators, freight companies, warehouses, publishers, and many other areas of the metal industries.

Items donated in the past include gift certificates for restaurants, hotels, spas, golf clubs, specialty stores, as well as the following items:
