

AWMI Portland Chapter 33rd Annual Auction “The Roaring 20s”

**Royal Oaks Country Club in Vancouver, WA
Thursday, October 2, 2025**

The Association of Women in the Metal Industries was founded in 1981 by a group of professional women working in the metal industries. AWMI is a 501c(6) tax-exempt, non-profit business league chartered under the state of Virginia. There are 21 chapters established to date internationally. Each chapter is self-supportive.

Every year, the Portland Chapter holds a fundraising event to help cover the costs of the scholarship program, speaker fees, and general operating expenses. This year, we will be hosting our 33rd Annual Auction, with both a silent and live auction. We will be at the Royal Oaks Country Club in Vancouver, WA, on Thursday, October 2, 2025! We ask companies in our business community to help support our organization with a donation either to be auctioned or given as a door prize. All donating companies will be recognized in the auction program book and in the winter edition of our newsletter.

AWMI is an organization open to both women and men. The four cornerstones of AWMI are to grow, mentor, educate, and provide networking opportunities to its members through seminars, plant tours, networking, and other career development meetings. There are 1,841 individual members and 94 corporate members in the United States and Canada. Our members are employed by mills, service centers, trading companies, manufacturers, fabricators, freight companies, warehouses, publishers, and many other areas of the metal industries.

Items donated in the past include gift certificates for restaurants, hotels, spas, golf clubs, specialty stores, as well as the following items:
